

Below are some of the events that have been and will be hosted at Reedsdell Guest Farm and look forward to hosting many more!

Past Events

Rallye Raid - 2011

"What an amazing event if your call yourself a true adventure biker then you must attend one of these rallies. It is one of the most beautiful areas of our country and you cant get better riding than this, we had one of the coldest starts -5.3 on the Saturday but that was nothing compared to the party that night in the barn" 4x4 Video.co.za

"To say the surrounding environment is beautiful really does not begin to do it justice. It is many things combined into this beguiling landscape where the clarity of the air changes the light and hence your experience of colour and shape is lucid and it changes

all day long. Although it is an overused word, it truly is magical."

Wild Dog Year End Bash - 2012

"Thanks to all the organizers, the bash was a great jol" - Mooch

"We had a challenging bash..... First we left home a bit late due to some hassles... Burst a tyre on the way there and lost 3 hours

.□

Got to the camp site at 8, pitched the tent in the rain, only to see it blown to pieces by the wind. I almost packed up and went home...

Fixed the tent on Saturday morning with a lot of help from great Dogz.□

And from there the weekend just got better.

Was fun to meet the old friends again. I only see some of you once a year, but it's always great to meet up again.□

Saturday night was farking cold. Not even the huge amount of alcohol helped.

T

his was one of the best bashes! Great organisation by those involved and a great venue"
Groenie

"The ablutions were clean and maintained and hot water was never short, the braai packs were freaking awesome and seeing old friends from previous bashes was the highlight of the trip" - Drazil

"Thanks to all for arranging a frighteningly lekker bash! We rode a bunch of passes and through Lesotho!" Funacide

Sea to Ski - □ October 2013

"What a epic adventure and seriously one to put in your bucket list!! Quite honestly the best 3 days of riding I have ever done!"
